Integration of the agenda and presentation of new proposals for resolutions

Shareholders who, either alone or together with other shareholders, represent at least 2.5% of the share capital may request, within 10 days of the publication of this notice (3 April 2025), an addition to the list of items to be discussed at the Shareholders' Meeting, indicating in a specific written request the items proposed or the proposed resolutions on the items already on the agenda. The request and a report on the items proposed to be discussed must be communicated by e-mail to societario@pec.reply.it, together with the certification attesting the ownership of the aforementioned shareholding issued by the authorised intermediaries in accordance with their accounting records.

Integration of the agenda are not permitted for items on which the Shareholders' Meeting resolves, pursuant to law, upon the proposal of the Directors or on the basis of a draft or a report prepared by them, other than those referred to in Article 125-ter, paragraph 1, of Legislative Decree No. 58/1998.

There is no publicity burden on the shareholder, as the Company is obliged to make available to the public the integrated agenda and the illustrative report on the matters to be discussed at the request of the shareholders, accompanied by the Board of Directors' evaluations, if any, at least 15 days prior to the date set for the Shareholders' Meeting (8 April 2025), with the same forms used for publication of this notice and the other documents for the Shareholders' Meeting.

Submission of individual resolution proposals

Considering that participation in the Shareholders' Meeting is envisaged exclusively through the Representative Designated by the Company, without prejudice to the provisions of Article 126-bis, paragraph 1, first sentence of the TUF, those entitled to vote may individually submit resolution proposals on the items on the agenda, or proposals whose submission is otherwise permitted by law, no later than the fifteenth day prior to the date of the first or only convocation of the Shareholders' Meeting, and therefore no later than 8 April 2025, to societario@pec.reply.it. The resolution proposals are made available to the public on the Company's website within two days after the deadline (10 April 2025).

Entitlement to the individual submission of resolution proposals is subject to receipt by the Company of the communication from the intermediary attesting to the ownership of the shareholding. In view of the manner in which those entitled to attend the Shareholders' Meeting and exercise their voting rights exclusively through the Designated Representative, the

presentation of resolution proposals at the Shareholders' Meeting is therefore not permitted.

Questions on agenda items

Persons entitled to participate in the shareholders' meeting may ask questions on the items on the agenda only prior to the meeting, by submitting them to the Company no later than 10 April 2025:

- ▶ by courier or registered letter A/R at the Company's registered office;
- ▶ at societario@pec.reply.it.

Questions received will be answered at least three days prior to the shareholders' meeting by means of publication in a specific section of the Company's website. However, the Company has decided to bring forward the deadline for responding to the questions received in order to allow shareholders to make an informed choice in time for the purpose of the voting instructions to be sent to the Designated Representative; therefore, the questions received will be answered by 16 April 2025.

Questions with the same content may be answered in a uniform manner.

Entitlement to exercise the right is certified by transmitting to the Company, together with the applications, the same communication required for participation in the Shareholders' Meeting, as described below. Entitlement to vote may also be attested after the submission of the applications provided that it is no later than the third day following the record date, and therefore no later than 13 April 2025.

Entitlement to Intervention

Pursuant to the law, the person for whom the authorised intermediary has sent the Company the appropriate communication certifying entitlement as of 10 April 2025 (record date) is entitled to attend the Shareholders' Meeting and exercise voting rights, exclusively in the manner indicated below. Any person who holds shares only after this date will not have the right to attend and vote at the Shareholders' Meeting.

It is recalled that the notification to the issuer is made by the intermediary on the initiative of the person entitled to the right.
